ERIE MARCH FOR LIFE

JANUARY 14, 2012 ★ 11 AM

The *Roe v. Wade* Supreme Court decision of January 22, 1973 legalized abortion for virtually any reason during all nine months of pregnancy. There are now 1.2 million lives lost to abortion every year in the United States.

In the face of such a national tragedy as government sponsored abortion, weighty arguments, lofty words, and stirring rhetoric alone are not enough. Change begins and justice prevails when private convictions pour forth in public witness.

- ◆ **Begins at Perry Square in Downtown Erie**
- ◆ **Concludes with a brief Memorial Service at the Perry Square Gazebo**
- ◆ **Invest an hour, because *lifetimes* are at stake**
- ◆ **Arrive at Perry Square by 10:45 a.m.**
