

34TH ANNUAL
PRO-LIFE
BREAKFAST

Special
Guest Speaker
LILA ROSE
Founder and President of
Live Action

Just 23 years old, Lila Rose is already a nationally-recognized pro-life leader and a very powerful spokesperson for the pro-life cause. Her undercover investigations have exposed the willingness of abortion-giant Planned Parenthood to engage in such reprehensible practices as covering up sexual abuse, assisting sex traffickers, disseminating medical misinformation, and accommodating racism. Video documentation from Lila's investigations can be seen on YouTube and at www.liveaction.org.
